Education

Massachusetts Institute of Technology
Ph.D. Electrical Engineering and Computer Science (GPA 5.0/5.0) 2024 - present
Master of Science in Electrical Engineering and Computer Science 2026
Advisor: Sendhil Mullainathan

Princeton University 2019 - 2024
A.B., Computer Science, *Summa cum laude*, (GPA 3.92/4.0)
Awarded most inventive and technically accomplished senior thesis in the School of Engineering and Applied Sciences
Thesis Advisor: Tom Griffiths

Awards and Fellowships

Schwarzman College of Computing Amazon AI Research Innovation Fellowship, for “outstanding PhD candidates whose work is focused on core AI areas and who show potential for real-world impact.” 2025 - 2027
Awarded for a second year “in recognition of continued outstanding academic record, exceptional research, and promising future.”

AI for Social Impact Summer Fellowship (*Fellow and Program Lead*), 2026
hosted by Anthropic, the [MIT Bike Shop](#), and [NextLadder Ventures](#).

MIT Presidential Graduate Fellowship, selected by the President and Provost from nominees by School deans and department heads. 2024 - 2025

NSF Graduate Research Fellowship Program, Honorable Mention 2025

Calvin Dodd MacCracken Senior Thesis Award, for the most inventive and technically accomplished senior thesis in Princeton University’s School of Engineering and Applied Sciences. 2024

Computer Science Department Outstanding Senior Thesis Prize, 2024
for the best thesis in the department.

Sigma Chi Honor Society induction. 2024

Computer Science Department Outstanding Independent Work Award, for the best junior-year research paper in the department. 2023

Paideia Scholarship of the Hellenic University Club of Philadelphia, a merit-based scholarship for students of Greek descent. 2022 & 2025
